Greater Cleveland Tiffany Circle Members

In 2009 Cleveland continued to serve as a leading Tiffany Circle chapter raising over \$245,000, with a membership of 12 women, including two lifetime Tiffany Circle members. In 2010, we hope to grow our membership to 18 women, and raise \$300,000. Nationally, the Red Cross Tiffany Circle Society of Women Leaders has raised \$13.0 million dollars, with 500 members.

The Cleveland Tiffany Circle is chaired by Ms. Laurie Laidlaw, Vice President, Eaton Corporation. Ms. Laidlaw is a former Red Cross of Greater Cleveland Board Chair; she is a current Board Director, and was recently elected to the Red Cross National Tiffany Circle Council. The Tiffany Circle membership is comprised of dedicated women leaders and community philanthropists. Membership in Tiffany Circle can be sponsored by corporations or other individuals, and memberships can be in honor or memory of a special women. All Tiffany Circle members' donations stay locally in the Northeast Ohio community with the unique added benefit of being recognized nationally for their gift.
